Forecast For Wales
Issued by Met Office Exeter
at 0400 on Friday 23 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and dry on Friday and over the weekend.

Today:
It will be turning warm with plenty of sunshine after a cold start. High cloud will cause this sunshine to become hazy at times. Breezy in the south and west. Maximum temperature 18 deg C (64 deg F).

Tonight:
Fine and dry conditions continuing, although temperatures will quickly be turning chilly again. Not as cold as previous nights, but frost still forming in places. Breezy in the south. Minimum temperature 0 deg C (32 deg F).

Saturday:
Fine and dry with plenty of sunshine after a chilly start, although high cloud will give hazier conditions at times. Remaining breezy along the south coast. Frost possible again overnight. Maximum temperature 18 deg C (64 deg F).

Outlook for Sunday to Tuesday:
Fine and dry on Sunday. Becoming cloudier later on Monday with the chance of a bit of rain by Tuesday. Generally becoming cooler, with a continued risk of frost overnight.
